Arc En Ciel

By: LAn²
Once upon a time ...
There was a girl named Ciel who woke up in a storybook.
but although beautiful
not all is sound in Paradise
With only a brush
help Ciel paint herself back into Reality.

To Be Continued.
Controls.

- Arrows to move & jump
- Space to Paint
Obstacles

1. These platforms cannot be used until they have been painted.

2. These platforms start off solid and can be erased and repainted.

3. "Frogs will kill you if they touch you."

Instead, paint them into bouncy platforms.
Along the way...

"Charging stations" let you refuel paint while you stand near them.

"Treasure chests" contain words to a hidden story - can you find them all?
Outrun the Illustrator's eraser...

... through all the world's doors.

& rediscover color!
